

CERTIFIED DEF

DIESEL EXHAUST FLUID (DEF)

Our Certified DEF meets all 15022241 standards and specifications for the use in all SCR Emission Control Systems. Our DEF is a high purity 32.5% aqueous urea solution.

TECHNICAL DATA

Form	Liquid
Fragrance	Slight ammonia
Color	Clear
Cold Stability	22°F
Flashpoint	None
pH	9.0 - 10.0
Weight per Gallon	9.09
Storage Stability	< 1 year
Biodegradability	Complete
