

CLEAR VIEW

WINDSHIELD WASHER SOLUTION CONCENTRATE

Use **Clear View** to power off grime and keep your windshield sparkling clean and streak-free. It also removes frost and light ice, and can aid in water beading of dew and misty rain. This solution is safe for any surface not harmed by water.

DIRECTIONS

Inside your vehicles windshield washer fluid reservoir, the suggested dilution ratio is 1:4 up to 1:9 using a calibrated dispenser or other measuring device.

It may also be manually applied with a trigger sprayer in full strength for controlled cleaning of windshields and glass.
