

# TAR GONE

## ASPHALT REMOVER

**Tar Gone** is a vigorous, biodegradable solvent concentrate used to penetrate and loosen tar and asphalt from any surface.\*

**Tar Gone** was formulated to be sprayed on tack trucks and run through lines to keep the tar soft for easy clean up. It is safe to use before, during or after the job to help maintain soft tar, and it allows surfaces to be cleaned with hot water and high-pressure.

**Tar Gone** contains other biodegradable ingredients that prevent it from evaporating. In addition to maintaining tack trucks, **Tar Gone** is excellent for equipment and tool cleaning.

### TECHNICAL DATA

<b>Form</b>	Liquid
<b>Fragrance</b>	Citrus
<b>Color</b>	Clear orange
<b>Wetting Ability</b>	Excellent
<b>Detergency</b>	Natural oil-based
<b>Foaming</b>	None
<b>Cold Stability</b>	32°F
<b>Flashpoint</b>	142°F
<b>Solubility in Water</b>	Emulsifies
<b>Weight per Gallon</b>	8.06 lbs/gal
<b>Specific Gravity</b>	0.97
<b>Storage Stability</b>	1 year
<b>Biodegradability</b>	Complete

### DIRECTIONS

Spray on with pump-up or mechanical sprayer. It can also be run through lines to keep them clean.

*\*Caution: Will soften and remove most paints if not used as directed. Industrial-strength solvent. Biodegradable. Do not dilute with water.*
