BLUE GOLD

TRUCK & EQUIPMENT CLEANER & DEGREASER

Blue Gold Truck & Equipment Cleaner & Degreaser exhibits a unique chemical essay and proven cleaning performance. This product meets EPA Safer Choice Direct Release criteria, which makes it the perfect product choice for locations without wash racks to capture wash water. **Blue Gold** has impressive oil separation properties which benefits industries with oil water separators by improving their effluent discharge and greatly improving separator equipment performance. This product also reduces and sometimes eliminates filter problems due to emulsified oil and grease. **Blue Gold** is designed to remove heavy road film, bugs, grease, oil and diesel smoke film from trucks, cars, boats, heavy equipment, engines, fork lifts, cranes, tractors, parts and tools. **Blue Gold** is safe on automotive and equipment paints.

DIRECTIONS

For general cleaning and degreasing, dilute 1:10 with water. Spray on surface to be cleaned using a pump-up sprayer. Allow to soak for a few minutes then rinse with high-pressure hose or hot water, high-pressure washer. **Blue Gold** Truck & Equipment Cleaner & Degreaser makes an excellent brush wash for all types of cars, trucks, big rigs, boats and equipment. Use **Blue Gold** Truck & Equipment Cleaner & Degreaser through a hot or cold high-pressure washer at 2 to 4 oz. of product per gallon of water discharged for large, time-sensitive jobs.

EPA/Safer Choice recognition does not constitute endorsement of this product. The Safer Choice label signifies that the product's formula, as Industrial Chemical Solutions has represented it to the EPA, contains ingredients with more positive human health and environmental characteristics than conventional products of the same type. EPA/Safer Choice relies solely on Industrial Chemical Solutions, its integrity and good faith, for information on the product's composition, ingredients and attributes. EPA/Safer Choice has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any of Industrial Chemical Solutions non-ingredient claims. EPA/Safer Choice provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Safer Choice Standard and based on currently available information and scientific understanding.

TECHNICAL DATA

Form	Liquid
Fragrance	No added fragrance
Color	Blue
Wetting Ability	Excellent
Foaming	Excellent
Cold Stability	32°F
Flashpoint	None
Solubility in Water	Complete
pH	≤ 11.5
Weight per Gallon	8.8 lbs/gal
Specific Gravity	1.06
Storage Stability	1 year
Biodegradability	Readily biodegradable

ADDITIONAL INFORMATION

Keep container closed when not in use. Store in a cool, dry place. Do NOT allow product to freeze. If freezing occurs, stir gently to reconstitute. Dispose of container in accordance with all federal, state and local regulations. Read label for general warnings, cautions and usage information.
