

GREEN CHOICE BULL DOG

ALL-PURPOSE CLEANER & DEGREASER

Nonfood Compounds
A1, A2, A4, A5, A8

Green Choice Bull Dog All-Purpose Cleaner & Degreaser is a powerful detergent specifically designed for the meat and poultry processing industry. Formulated to cling to vertical surfaces by way of foam, **Green Choice Bull Dog** penetrates tough grease, grime and organic stains; penetrates and removes smoke stains from porous fiber glass, stainless steel, galvanized, aluminum, brick and metal surfaces; and removes organic stains, tough grease and grime from chains, conveyors, racks and holding bends.

Green Choice Bull Dog meets EPA Safer Choice Direct Release Criteria and may be utilized outside to clean loading docks, building walls, forklifts and trucks and as a general cleaner for inside departments. This product has no added fragrance or dye.

DIRECTIONS

1. Pre-rinse surface with high-pressure water at ~180°F using top-to-bottom procedure. Remove all parts and bulk waste material.
2. Apply **Green Choice Bull Dog** using a wall-mounted foamer at 1:8 dilution. To ensure maximum surface coverage, foam on using bottom-to-top procedure. Maintain air flow or psi so that sufficient chemical fluid is evident on surface, not just bubbles (foam).
3. Leave product on surface for ~3 - 5 minutes. Do NOT allow to dry on surface.
4. Clean thoroughly using high-pressure hot water trigger guns from bottom to top. for better visibility of the surface. Once complete, rinse from top to bottom with potable water using high-pressure, hot water hose.

EPA/Safer Choice recognition does not constitute endorsement of this product. The Safer Choice label signifies that the product's formula, as Industrial Chemical Solutions has represented it to the EPA, contains ingredients with more positive human health and environmental characteristics than conventional products of the same type. EPA/Safer Choice relies solely on Industrial Chemical Solutions, its integrity and good faith, for information on the product's composition, ingredients and attributes. EPA/Safer Choice has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any of Industrial Chemical Solutions non-ingredient claims. EPA/Safer Choice provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Safer Choice Standard and based on currently available information and scientific understanding.

TECHNICAL DATA

Form	Liquid
Fragrance	No added fragrance
Color	No dye
Wetting Ability	Excellent
Foaming	Excellent
Cold Stability	32°F
Flashpoint	None
Solubility in Water	Complete
pH	≤ 11.5
Weight per Gallon	9.20 lbs/gal
Specific Gravity	1.10
Storage Stability	1 year
Biodegradability	Readily biodegradable

ADDITIONAL INFORMATION

Keep container closed when not in use. Store in a cool, dry place. Do NOT allow product to freeze. If freezing occurs, stir gently to reconstitute. Dispose of container in accordance with all federal, state and local regulations. Read label for general warnings, cautions and usage information.
