GREEN CHOICE

TRACTOR, ATV AND EQUIPMENT WASH CONCENTRATE

Green Choice Tractor, ATV and Equipment Wash is a concentrated wash that allows you to use only the amount you need to get the job done. Easy to use, **Green Choice** cleans tractors ATV and other equipment with the use of a pressure washer - without harming painted surfaces, plastic, aluminum, glass or stickers or promoting rust.

Green Choice Tractor, ATV and Equipment Wash meets EPA Safer Choice Direct Release Criteria and does NOT contain bleach or hydrogen peroxide that is corrosive and may harm animals, plants and metal.

TECHNICAL DATA

Form	Liquid
Fragrance	No added fragrance
Color	Blue
Wetting Ability	Excellent
Foaming	Excellent
Cold Stability	32°F
Flashpoint	None
Solubility in Water	Complete
pH	≥ 11.5
Weight per Gallon	8.8 lbs/gal
Specific Gravity	1.06
Storage Stability	1 year
Biodegradability	Readily biodegradable

GREEN CHOICE

TRACTOR, ATV AND EQUIPMENT WASH CONCENTRATE

DIRECTIONS

For general cleaning, dilute 6 oz. per gallon of water for a 1:20 ratio. For tougher jobs, add one more ounce of chemical per gallon of water until desired strength is reached. Apply using a pump-up sprayer, brush or foaming sprayer, or meter through a pressure washer. When foaming or spraying on, allow 3-5 minutes of contact time, then pressure off with water hose or high-pressure washer, or agitate with brush and rinse with potable water. For large area jobs, pre-mix product and manually spray on surface or meter product through a hot or cold water high-pressure washer at a rate of 2-4 oz. of chemical per gallon of discharged water.

Now, enjoy the environment you're living in a little more knowing you are using a product that meets EPA Safer Choice Direct Release Criteria.

EPA/Safer Choice recognition does not constitute endorsement of this product. The Safer Choice label signifies that the product's formula, as Industrial Chemical Solutions has represented it to the EPA, contains ingredients with more positive human health and environmental characteristics than conventional products of the same type. EPA/Safer Choice relies solely on Industrial Chemical Solutions, its integrity and good faith, for information on the product's composition, ingredients and attributes. EPA/Safer Choice has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any of Industrial Chemical Solutions non-ingredient claims. EPA/Safer Choice provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Safer Choice Standard and based on currently available information and scientific understanding.

ADDITIONAL INFORMATION

Keep container closed when not in use. Store in a cool, dry place. Do NOT allow product to freeze. If freezing occurs, stir gently to reconstitute. Dispose of container in accordance with all federal, state and local regulations. Read label for general warnings, cautions and usage information.
