

SUPER BIG RED

TRUCK AND EQUIPMENT WASH

Super Big Red expertly removes heavy road film, bugs, grease, oil and diesel smoke film from trucks, trailers and equipment. With Super Big Red and a high-pressure hot water washer, you can remove stubborn grease, road film and bugs from trucks and trailers to reveal a clean and shiny finish. Use Super Big Red to remove heavy oil and grease from fork lifts, cranes, tractors, parts and tools.

TECHNICAL DATA

Physical State	Liquid
Wetting Ability	Excellent
Appearance	Red
Relative Density	8.9 lbs/gallon
Specific Gravity	1.05
Odor	None
Solubility	Complete
Flashpoint	None
Cold Stability	32°F
pH	11.0 - 12.0

See SDS for complete data.

DIRECTIONS

For optimal performance, use Super Big Red with a high-pressure hot water washer. Alternatively, use a high-pressure cold water system and dispense with a downstream injector. Drop either chemical tube into product and adjust the chemical valve to dispense 2 to 6 oz. of product per gallon of water to be discharged. This dilution will be approximately ½ to 1 turn open on your chemical valve.
