

SUPER SUDSING T-N-T

TRUCK-N-TRAILER BRUSH WASH

Super Sudsing T-N-T is a super high-sudsing vehicle shampoo designed for manual use. Use this product with a brush, sponge or towel designed to wash vehicle surfaces. Super Sudsing T-N-T will soften and remove bugs, greasy road film, grease stains, dirt stains and more. This product cleans and removes residue ordinary vehicle shampoos cannot. Though double concentrated, Super Sudsing T-N-T is safe on vehicle paint and is ideal for cleaning over-the-road trucks, trailers, service trucks, pickups and cars when washing manually. This product is user and environmentally friendly.

TECHNICAL DATA

Specific Gravity	1.09
Odor	None
Solubility	Complete
Flashpoint	None
Cold Stability	32°F
pH	8.0 - 9.0

See SDS for complete data.

DIRECTIONS

Super Sudsing T-N-T is double concentrated. Using this product without properly diluting will result in difficulty rinsing. The values below list suggested dilution ratios. However, you may dilute the product to meet your needs.

Dilute with water

For heavy-duty use 1:64 = 10 oz. to 5 gal.

For normal use 1:128 = 5 oz. to 5 gal.

For light duty use 1:256 = 2.5 oz. to 5 gal.
